

You are receiving this notification because **K92 Mining Inc.** (“**K92**”) is using the Notice and Access model for the delivery of meeting materials to its **holders of common shares** (“**Shareholders**”) for its Annual General Meeting of Shareholders to be held on **May 29, 2026** (the “**Meeting**”). Under Notice and Access provisions, instead of receiving paper copies of the Company’s notice of annual meeting and management information circular (together, the “**Information Circular**”), shareholders are receiving this Notice and Access Notification with information on how to access the Information Circular electronically. Digital copies of the Information Circular and the form of proxy for the Meeting (collectively, the “**Proxy Materials**”) will be posted online, together with a copy of this notification. Shareholders are also receiving a paper copy of the form of proxy (“**Form of Proxy**”) or Voting Instruction Form (“**VIF**”), as applicable, enabling them to vote by proxy in advance of the Meeting. This method of delivery is an environmentally responsible, cost-effective way to deliver Proxy Materials to K92 shareholders.
